

Safe Protesting

Lunch Discussion

Flagler College embraces student freedom of expression and the ability to engage in peaceful protests and demonstrations. But,

How can you stay safe?

How can you conduct an impactful protest that does not suppress others' rights?

Join us for a conversation with administrators and protestors on policies and protests.

Friday, Oct 25, 12 pm

(Discussion will start about 12:15)

Lunch gatherings are held in the Presidents Dining Room in the dining hall and are open to the entire campus community, including students, staff, and faculty. Please register on
